REMARKS [REDACTED]

25X1

1. No changes were observed in the occupation of the Flak Kaserne, Brandenburg (N 53/4 23), prior to 25 June 1951. The rear detail there was observed exclusively at athletic activities. Heavy vehicular traffic was seen going from the barracks installation toward Ziesar.

25X1

2. No changes were observed regarding the occupation of the Generalfeldzeugmeister Kaserne on Magdeburger Strasse prior to 26 June. Sentries wore red-bordered black epaulets with artillery insignia. Intensive training activity was observed in the barracks installation. Units of 30 to 35 men left the barracks installation daily and went toward Goerden, carrying signal equipment and practice targets. No artillery pieces were observed.

25X1

3. Only air force soldiers were observed in the Pionier Kaserne prior to 27 June. *

25X1

- * [REDACTED] Comment. The information indicates no change in the occupation of three barracks installations over the last report of early June 1951.
